

If you own or owned a home or other structure with Windsor Pinnacle or Legend Series windows, you may qualify for benefits from a class action settlement.

Go online at www.windowsettlements.com to learn how to file a claim.

A settlement has been reached with the Windsor Window Company (“Windsor”) and Woodgrain Millwork, Inc. (“Woodgrain”) about Pinnacle and Legend Series (including Legend Hybrid) windows manufactured by Windsor between January 1, 2000 and January 5, 2018. The settlement covers claims of wood rot to the windows themselves, additional damage caused by water leakage, and qualifying prior repairs. Windsor and Woodgrain (the “Defendants”) deny the allegations. There has been no determination of wrongdoing by the Court.

WHO IS INCLUDED?

You are being sent this Notice and the included Claim Form because Windsor’s records show that you may be a Class Member. The settlement includes all individuals and entities in the United States who are previous, current, or subsequent owners of a structure with Qualifying Windows (referred to as a “Qualifying Structure”). Examples of how to determine whether your windows are Qualifying Windows can be found at www.windowsettlements.com. The website has photographs and detailed instructions on how to identify if your windows are part of the Settlement.

WHAT DOES THE SETTLEMENT PROVIDE?

Those that file a valid claim can get replacement windows and window sashes, money for window frame damage, money for additional damage caused by a window leak, and reimbursement for qualifying prior repairs. Complete details on eligibility, claim options and the dollar amounts you could be eligible for can be found at www.windowsettlements.com.

HOW DO I MAKE A CLAIM?

You can file an online claim now at the website, or you can mail in the paper Claim Form sent to you with this Notice. YOUR OTHER OPTIONS.
